

Mission

To support the Habitat affordable home ownership program and the local environment by providing low-cost new and used home and building supplies.

Help Us Restore Hope

When you shop at the Habitat for Humanity York Region's ("Habitat York's") ReStores the proceeds from your purchase first cover 100% of the operational and administrative costs of Habitat York. By covering these costs through ReStore proceeds, we are able to direct **100% of every dollar donated** to building homes in York Region and Bradford West Gwillimbury. Not only are you saving money, you are also restoring hope for families by helping Habitat build safe and affordable homes.

Follow us on Twitter

We update our tweets regularly to let our followers know what's new in our stores. Check frequently to find that special item as all of our items in the ReStore go fast!

Why Support the ReStore

Charitable Tax Receipt

With your donation to Habitat York's ReStore, you will receive a charitable tax receipt or business receipt for the resale value of donated goods.

Save Money

Save the labour and disposal charges when you donate to our salvage program. We will come and pick up large items, including full kitchens (appliances, sinks, countertops and cabinets). As a shopper, you can also **save 50-75% off** retail when you shop at the ReStore. The ReStore stocks continuously changing items that are both new and used — contractors and designers love shopping with us!

Make Space

Reduce, Reuse, Recycle

Do your part in reducing the amount of waste going into landfills by donating your items to the ReStore or shopping at the ReStore.

Approximately 1 in 8 families are living in poverty in our community

What You Will Find

Our inventory changes daily so drop in often and you just might find that treasure you weren't necessarily looking for!

- Interior and Exterior Doors
